

Mandatory Attendance

A downloadable game for Windows and macOS

Premise

You are an unnamed professor at an Ohio university who is sick of your students skipping your 8:30 AM lecture. Taking measures into your own hands, you decide one day to sneak into the students' maze-like, heavily guarded dorm to wake them up yourself.

Instructions

- Arrow Keys to move
- Spacebar to interact with objects (stairs, terminals, beds)
- avoid obstacles like guards and cameras
- terminals will disable obstacles
- get to the student's bed to reveal the stairs
- get to the stairs to move on to the next level

Developers: Jae Yong Kim, Brian Pang, Chris Zhang
